MISSION TOWNSHIP FIRE & RESCUE

PO Box 327
Merrifield, MN 56465

Greetings from Mission Fire Department! It is time to start thinking about our 7th Annual Haunted Hayride!! We had another very successful event last year and are preparing for an even bigger and better event in 2010! "Terror Alley" was also a big hit in comparison to our haunted maze we had in the past. We will also be adding ALL NEW props to the trail and renovating existing props. You are receiving this letter because we are in search of donors/sponsors for this year's event. But before we get into details, let's give you some information about Mission Fire Department.

Mission Township Fire & Rescue is located seven miles south of Crosslake MN and is composed of twenty members. Thirteen of those members are First Responder or EMT certified. Mission Fire & Rescue covers four townships, Mission, Center, Pelican, and Lake Edward. The department has two stations, station one in Mission and our substation, station two, in Center Township. The department averages about 100 call-outs per year.

As a department, we train extensively. We have fire training twice per month from 7:00pm to about 10:30pm (often later) and first responder training once per month from 7:00pm to 10:00pm. Our training includes live burns, truck certification, search and rescue, SCBA donning time trials, pump operations, and more. Our meetings are the second Tuesday of each month and also start at 7:00pm.

You are receiving this letter because Mission Fire Department is seeking your help for our annual Haunted Hayride. The Haunted Hayride is a fundraiser that Mission Fire & Rescue has been hosting for six years and is one of our two major fundraisers per year, our other being the Fire Fair. Your donations will help us in preparation for this event by improving sites from last year, building new sites for this year, purchasing new attractions, purchasing needed supplies, food, advertising, and with other pre-event expenses.

The funds raised at this event will be used towards the purchase of new firefighting and first responder equipment such as firefighter's turn-out gear, helmets, hoses, hose nozzles, hose adapters, pagers, radios, accountability equipment, trucks, truck and equipment repairs, first responder bags, and medical equipment to better serve our community.

On the following page you will find a sponsor form. On this form is a list of possible sponsorships for the 7th Annual Haunted Hayride. On this form there are three different categories; you may choose any site or category you would like. If you feel you can donate to more than one category please feel free to do so. Some of the categories are left unmarked; this means that you can donate whatever amount you choose. We ask that you circle your selection(s) and mail the form and check back to Mission Fire. If you have any questions please feel free to contact us.

If you or someone you know would like to volunteer to help at this event, please contact Mission Fire Department for information on how you can help! We are always looking for volunteers because without volunteers this event would not be possible!

Thank you for your interest and support!!

Mission Twp. Fire & Rescue
Haunted Hayride Committee

This year sponsorships are being organized differently. There are three different categories of sponsorship: Gold, Silver, and Bronze. Refer to chart below for details.

<u>GOLD</u> <u>\$100.00</u>	<ul style="list-style-type: none">• Listed on Radio Advertising• 4 complimentary tickets• Announced during the event• Listed as a sponsor on the website and on signage at the event
