

MISSION TOWNSHIP FIRE & RESCUE

Greetings from Mission Fire Department:

We are planning our 7th Annual Haunted Hayride and need your help!! We are looking for anyone willing to volunteer their time to help us make this event GREAT!!! Some areas we are looking for help in are Trail Haunting, Food Serving, Selling T-shirts & Glow Necklaces, Set-up, Tear Down, and others.

The day we need the most help is the day of the Haunted Hayride, Saturday October 30, 2010. The Hayride will run from 5pm to approx. 11pm. We are in need of people to help set-up props on the trail, serve food, selling t-shirts & Glow Necklaces, and Haunting the "Trail of Terror."

If you are interested in helping Saturday we ask that you wear some sort of costume for the evening. (We do have a few costumes available, but selection is limited) We ask that all volunteers be at Mission Park by **3:00pm Saturday October 30th** so we can meet with you and get you to the right area and explain to you what we are looking for. (There will be signs pointing you in the right direction as you come from Crosslake, Brainerd, Crosby, and Breezy Point.)

If you have a group of friends or an organization that would like to haunt the "Trail of Terror" we have some opportunities that might interest you. Sites available for group haunting include our Haunted Cemetery, Guillotine, Gallows, and a Log Cabin wall complete with lighting that Jason has lived in the past several years... If your group is interested in haunting one of these let us know when you sign up!!
